## How Does It Work?

1. Send you request to your Account Manager, or register on the Training page of our website.
2. Your Account Manager will schedule a discovery call to discuss initial needs and requirements.
3. Our Training Team will work with your Account Manager to produce a proposal and Scope of Work document (SOW).
4. Once these documents are signed and approved, joint content creation will begin.
5. You can then register and proceed to payment on Nakisa GoLearn.
